## WELCOME TO VIRGINIA'S FIRST URBAN WINERY!

What's an Urban Winery, you ask? Well, we are. Take a look around, and you'll see a pretty unique blend of concepts.

First and foremost, you'll see wine made here under our Mermaid label, highlighting the potential of Virginia's grapes and wine production. Virginia has a rich history of grape growing and winemaking, and we've selected the best grapes we can get our hands on for our Mermaid Wines. We primarily work with fruit from our Charlottesville vineyard, with occasional sourcing from other locations if we see the opportunity to make something special. We've put together some really enjoyable wines for you to try - some classic, some fun, all delicious.

Secondly, you'll see wines from all around the world. Some you'll recognize, others you might not. These selections lend to our wine bar-style atmosphere and really enrich the experience by offering a wide range of wines to be tried. They're all available by the bottle, and most by the glass and flight as well, right alongside our Mermaid Wines. The staff can tell you all about any of them, so rest assured that you'll never be drinking blind. These wines also rotate with the season, and there's always something new to try.

We have a full kitchen too, with a diverse menu that can carry you through lunch, brunch and dinner from the lightest snack to a full-on meal. With dishes that can be easily paired with a variety of our wines, make sure you try anything that catches your eye. If you need a wine recommendation, we're always happy to offer a suggestion or two.

We even have a wine club - we've formed a community from all walks of life who've come together to enjoy learning, tasting, and pairing the many different varieties of wine from around the world, along with the history and culture of the wine world at large. Be sure to check that out on the next page, it's well worth joining!

So, thanks for joining us today. You're always welcome here and we're glad to have you share in our wine escapades here at Mermaid Winery.

CHEERS!

## MERMAID WINES

### White

#### **Mermaid Winery Pinot Grigio, California - 9 Glass | 25 Bottle**

#### **Mermaid Winery Chardonnay, Virginia - 9 Glass | 25 Bottle**

Golden straw in color, this Chardonnay opens with notes of ripe apple, yellow peach, layered with subtle notes of vanilla and toasted almond. On the palate, it is medium-bodied and well-balanced, offering soft stone fruit, supported by bright acidity. The finish is smooth, elegant, and lightly toasted with gentle oak influence.

### Red

#### **Mermaid Winery Pinot Noir, California - 10 Glass | 30 Bottle**

Ripe cherry, raspberry and milk chocolate on the nose with hints of rose petal. Enjoy the long finish that develops into strawberries with a touch of nutmeg.

#### **Mermaid Winery Cabernet Sauvignon, California - 13 Glass | 40 Bottle**

Deep ruby in color, this Californian Cabernet Sauvignon opens with rich aromas of blackberry, black cherry, and cassis, layered with subtle notes of vanilla, cedar, and baking spice. On the palate, it is full-bodied and structured, offering flavors of dark plum, ripe black currant, with hints of cocoa and toasted oak. Firm yet polished tannins provide depth and balance, while a touch of mocha and spice carries through the long, smooth finish. Bold, elegant, and approachable, this Cabernet showcases classic Californian richness with refined balance.

### Sweet

#### **Mermaid Siren's White, California - 9 Glass | 25 Bottle**

This California orange muscat offers expressive aromas of orange blossom, ripe apricot, honeyed peach, and fresh citrus zest, with delicate hints of jasmine and tropical fruit. On the palate, it is lightly sweet and beautifully aromatic, showcasing flavors of mandarin orange, ripe melon and a touch of honeysuckle. Bright acidity keeps the sweetness balanced and refreshing, leading to a smooth, floral finish.

## WINE FLIGHTS

### ALL FLIGHTS - \$20

Our flights include a selection of five different, preselected wines, 2 oz. pour each: The selections change often, giving you a variety that changes over time with new and intriguing wines from around the world! Feel free to ask your server about specific wines for each flight.

*Available for parties seven or less.*

### MERMAID CLASSIC

Here at Mermaid Winery, we produce a lineup of wines that showcase easy drinkability and flavorful nuance; both of our locations utilize stainless steel tanks and oak barrels, with each location using a different variety of oak to provide a different terroir, or the sense of place conveyed by a wine. We've selected some of our favorites for you to get an idea of what we do!

### WHITE WINE

White wines are, generally, wines produced without exposure to the skins and stems of the grapes the juice is crushed from, Resulting in wines of clarity, fruit, and freshness. Examples of these wines are loved for their casual drinkability and pairing potential with lighter fare, like seafood, poultry, and fruit!

### SWEET WINE

Sweet wines, also referred to as dessert wines; from light and tantalizing to rich and big, these wines maintain a good level of sweetness due to residual sugars; the sugars left over after the yeast have finished producing alcohol, or when the winemaker halts the fermentation. Sample our selections from around the world, either alone or with one of our indulgent desserts!

### RED WINE

Boldness, intensity and loads of flavor; red wines soak the skins and stems of the grapes with the juice to infuse flavor & coloration to the wine! Sample our picks from the winemaking regions of the world and experience the nuances each environment brings to the bottle!

### ROSÉ

Rose is fresh, fruit-forward style of wine made from red grapes, where the grape skins remain in contact with the juice for only a short time, enough to give the wine its signature pink color.

### NEW WORLD

There are two fundamental regions when it comes to winemaking, the new world, and the old. When we say new world, we are referring to countries like the USA, South America, Australia, and South Africa. Wines from these countries are generally known for possessing a more fruit driven character than their old world counterparts. Here are some highlights that we've found from the countries of the New World!

### OLD WORLD

In contrast, old world wines come from Europe; countries such as France, Spain, Italy, and more. They're known for presenting a more refined, mineral driven character than new world offerings, though there are always exceptions. Enjoy a slice of history with wines from some of the oldest winemaking regions in the world!

### SPARKLING

Sparkling wines are made in many countries around the world, each with their own history and notable qualities. They are often produced through a process of secondary fermentation, where a still wine is given more yeast & sugar to infuse the wine with textural bubbiness, or perlage. Explore a curated selection of outstanding bubbies, whether it's from home or abroad!

### FORTIFIED & APERTIF (0.5 oz Pours)

Fortified wines find their origins in the age of sailing, when seamen would carry wine as either cargo or libation. Of course, wine is perishable, so methods were devised to extend their storage life; most notably, blending them with spirits, creating wines such as Port, Madeira, and Sherry.

### NON-ALCOHOLIC

Try five different non-alcoholic varietals from around the world. These non-alcoholic versions showcase the varietal and terroir.

### CUSTOM WINE FLIGHTS

Mix and Match our by the glass wines, so you can alter your tasting just for you and your party!

"I drink Champagne when I'm happy and when I'm sad. Sometimes I drink it when I'm alone. When I have company I consider it obligatory. I trifle with it if I'm not hungry and drink it when I am. Otherwise, I never touch it - unless I'm thirsty."
